## CROSS COUNTRY

Some people from KS 2 went to cross country at Caldew School.

Some parents took the children to cross country. We were against a lot of schools. There was a big crowd and Mrs Tiniswood ran with the pupils.

High Hesket got 1<sup>st</sup>, Saint Michael's got 2nd. The weather was drizzly and wet. Some people liked the race but some people didn't. Some people felt very tired at the end but some people weren't tired.

## Lady Daisy

Lately we have been reading Lady Daisy as our class text we have got to the part where Lady Daisy has been taken. Ned is worried and has been speaking to a witness to see if he knows. The witness was named Mr Merry Weather Jones he drives a white van and lives across the road. He has had his eyes on Lady Daisy lately. Ned was wondering if it was Mr Merry Weather Jones. Now we found out that it was the school bully that took Lady Daisy because he put her in a bin and then pulled her out again. The reward was £20 so that's why he put her in the bin and pulled her out again.

## SCIENCE DAY!

*On science day we were doing about gloop! We even made some gloop of our own! We also got to play with it and add food colouring to make it green. When you squish it goes very hard and when you let it go it goes runny.*

## Carlisle United

Part of the school went to a football match in Carlisle. It didn't go very well for starters because Blackpool got a goal but it was off-side so it didn't count so it was still 0-0. Then Blackpool got 2 goals and then it was 2-0. And then it was half time. Then they got 3 goals and that made it 5 - 0 to Blackpool and then Carlisle got 1 goal and then when it was full time it ended up 5 - 1 to Blackpool.
