Summer 2016

What an action packed term! Read all about our adventures this summer.

Caldew Summer Concert

Mrs Cooper, a music teacher from Caldew School, has been coming in on a Wednesday morning to teach us singing. It was based on THE BEATLES. We have learnt the songs; When I am 64, Let it be, Yellow submarine, All you need is love, and Here comes the sun. We have all enjoyed her coming in and teaching us. The concert was on Thursday 14 July 2016 at 6.00. We performed with Raughton Head School and Caldew choir.

Rosley School's Garden Party

On Wednesday 25th May we held a garden party to celebrate the Queens 90th birthday. It was called 'Singing through the decades'. We sung a song from each decade from 1920 to 2010 and we all dressed up in our best clothes. We researched and read facts about each decade. At the end we had afternoon tea we got our picture taken which was in the newspaper.

Science

This term, in science, our topic was 'Light and sound'. In the first part of the term we learnt about aspects of light, how it travels, reflectors, the sun and shadows. Also, we looked at opaque, translucent and transparent. The second part of the term we did sound. We learnt how we hear, how sound travels, how the ear works and sign language. We learned that we are never in silence or darkness.

By Nicole

This year we had a science day about space. We learnt about the planets and put them in order and also learnt if aliens are real or not. Later on in the afternoon we made rockets. We filled the rockets with water and went over to the field to see if they could fly.

Lego through history

For our school trip we went to Reghed. We went to see the Lego through history exhibition. We watched the Lego movie in 3 D which was really good. We looked at all the massive Lego models and made sail boats, catapults, zip wire carriages and portraits. We did graffiti on a mini Hadrian's Wall. There were more than 500,000 pieces of Lego and if they were put together it would be over 4 km tall that is 4 times the length of Scafell Pike. We had a competition to see who could make the most Lego sheep in ten minutes. Also we played on the park. We all had a great time.

Maths

In maths, this year, we learnt about perimeter and area, shape and space, rounding, types of lines, angles and diagrams. We went outside to look at the Venn diagram and the carol diagram. We put 2D shapes into the diagrams. In maths we also looked at obtuse, acute and right angles. I am looking forward to maths next year!

War and Peace

In Topic we have learnt about World War 1 and 2. We have learnt about evacuees, soldiers in WW1 and 2, how to make an Anderson shelter. We wrote letters as an evacuee and also learnt about war artists like L.S Lowry and Henry Moore. We have created our own art work in the style of Henry Moore and L.S. Lowry.

By Joe and Isabel

The Lion and the Unicorn

In English we have been reading a story based on WW2 called the Lion and the Unicorn. It is about a boy called Lenny and he get's evacuated .We have been writing informal letters and formal letters. We have also been learning about using parenthesis in sentences. We imagined we were a soldier fighting in the war and wrote a recount of a life of a soldier. We have created freeze frame based on our favourite part of The Lion and Unicorn and then made them to a video. That was great fun.

Rosley School Tennis Tournament

We had a KS2 school tennis tournament during Sports week. We played our game and if you won you got through to the next round. There was a first round, a second round, a third round, a fourth round and then it was the final. It was Charlotte v Hazel in the final. Most of KS2 played in the tournament and we all watched the final. Hazel won and the score was 10 - 3.

Caldew Tennis Festival

On Monday the 25th April Class 2 took part in the Caldew tennis festival 2016. We got into groups with children from other schools. Then we went on the Caldew sports field and two sport leaders from Caldew School showed us different activities. We had a fun afternoon and made some new friends. Our class loved playing tennis this year.

Sports day

On sports day there were lots of different activities. There were things such as running races, skipping races and potato races for every year group except from class one and three which had boys separate from girls. We also got in our house teams but we split into, A and B, we did activities like the egg and spoon race, relay race, the welly race and the dressing up race. Lots of children's parents came to watch. It was great fun watching the year six children getting dressed up. The winning house team for Sports day was Bowfell. We got squash and a biscuit. During sports week KS2 also held an athletics afternoon. We all took part in the Rosley mile which is 5 times round our field, throwing a tennis ball and the long jump. During celebration assembly, the first, second and third for each year group received a certificate.
