

Class 2's Newsletter

Summer 2019

What an action packed term! Read all about our adventures this summer.

Read All About It!

On the 1st Friday of this term, we went to Wigton library, chose our topic we wanted to learn about and chose a book or two on that topic. I (Hope) chose Ancient Greece and I (Zara) chose Secret Life of Pets with Lucy B. Then we went back to school and stuck a puzzle in our topic books. On the 2nd Friday, we got started and I (Hope) did my artwork first and I did it in oil pastels and it was about the Trojan Horse. I (Zara) did my artwork first and I did it in paint and I did it of a cat. I (Hope) then did my poster and it was advertising jobs that you might have work as in ancient Greece, e.g. merchant, shoemaker, and I (Zara) did my poster and stuck a picture on a piece of paper and wrote facts about pythons. After that, I (Hope) made my 3D model of the Trojan horse out of clay. It took a long time to paint because I couldn't get the right shade of brown! We then presented in the information to the class that we had learnt about the topic.

By Zara and Hope

Carlisle United

On the 27th of April 2019 some children from KS2 at Rosley School went to Brunton Park to watch Carlisle United play against Crawley. It was very exciting and guess what..... Carlisle won 4-2! We walked a long path from Trinity school to the stadium. Some football players gave us their signatures. Miss Wilson and Mrs T came along with us. The first half was more exciting and we all had plenty of sweets to keep us going.

Theatre by the Lake Visitor

On Thursday 9th May a man called Dave came in to talk about the Theatre by the Lake at Keswick and Beauty and the Beast show that the theatre had put on. The man let us do a little performance for our class mates but first we had to do some stretches on some of the characters like Belle and the Beast.

Samye Ling Buddhist Monastery

On Thursday the 27th June KS2 went to Samye Ling Buddhist Monastery. We were showed around the outside and saw a stained glass window. The outside of the Temple was beautiful there were flags on it. We went inside but before we did we had to take our shoes off. There were small cushions on the floor we sat on and we saw a wax statue who looked real. We were told a story and taught how to meditate. The main shrine had a massive gold Buddha and loads of mini Buddhas beside it. On the table by the Buddha there were offerings. Also, there were pillars with the old language on. Then we walked round the garden to a beachy scene and stayed for a few minutes and walked back. We then had our lunch before going back to the Temple to see a bit of the prayer service it had loud bands and people singing in the old language. After that, we walked the other garden and there were 8 mini stupas and 1 large stupa. Soon, we saw a statue then a large white building and next to it a room with memories of passed away people and pets. Finally, we came across a female Buddha with a lotus flower and boxes where the different versions of her would go. We all enjoyed the day but it was very hot.

Hockey tournament

On the 16th May we did a hockey tournament and we were up against other schools. The teachers picked 12 people for the team. We drove to Carlisle and it was at Richard Rose Central Academy when we got there we had lunch inside the Youth Zone building. Then we went on the pitch to have a little warm up and then we had to do the real thing so we got ready. We split into two teams and they were called Rosley A and Rosley B and we both played at different times. We won 5 games and we lost 7 Games so we didn't get in the quarter finals. We all played really well though.

By Charlie & Jack

Athletics morning

First of all we did the Rosley mile. In the Rosley mile we had to go around the field 5 times which is a mile. It was far and after they told us what time we did it in. After that, class 2 went to complete the long jump. Year 3s jumped first then year 4s did it. We did it with Mrs Tinniswood and go to jump 3 times to see which was our furthest. We went to do throwing with Mrs Hayton where we had to see how far we could throw a tennis ball over arm. By Bella & Esme

Sports day

When it was Tuesday 25th June it was spots day first we did the sprint race I came 1st Charlie came 2nd place and Sam came 3rd. Then we did the skipping race and potato race. After that we did the team races, in the welly race the wellies were too big for us, we kept falling over. Then we did the egg and spoon race. The dressing up race was so much fun as the year 6s were dressed up in funny clothes. After that we did the mums' race, Sarah Keane came 1st, Sam Massey came 2nd and Lucy Fuggle came 3rd. It was then the dads' race, Kian came 1st and my dad tripped over another dad. At the end it was the teachers' race, Mrs T won followed by Miss Bamber with Mrs Osborne 3rd. When we came back to school we got changed and had an ice pop. By Timothy

Musical Extravaganza

The music extravaganza went brilliantly well. In our extravaganza we had singers, drummers, recorders, piano, hand chimes and the teachers surprised us by singing Super Trooper. Isaac played Eye of the tiger and Henry played back in black on the drums and we raised £300 to our chosen charity, Eden Valley Hospice. By Henry and Isaac

Tennis Tournament

On Friday 28th June we had a tennis tournament on the playground for children in KS2. Mrs T pulled names out of a hat to find out who would play each other and whoever won would go through into the next round. Kyrha made it into the second round and Harry made it into the same round too. Henry lost against Alex in the first round because Alex is a very good tennis player. Jack got through to the final to play against Alex. In the final Alex played Jack, Alex won 7-5. Our young leaders were Kara, Isabel, Stewart and Alex were the umpires Mrs Lancaster came to help. By Harry and Kyrha

Mrs Bailes- My Money Week

On Monday 10th June Mrs Bailes came in to talk about money as she works at Barclays Bank. She set us all tasks to complete a word search with all the vocabulary linked to money and bank. She gave us sheets with sentences, with missing spaces with a vocabulary of bank words to write in the missing spaces. She asked if we had any questions about the about any of the words we haven't heard about including interest and account. By Lucy Benson.

Moving Up Morning

For moving up morning year 4 went into Class 3. First we looked at different artists and their artwork especially Kadinsky and we had a go at it ourselves. Abstract art is where you mix paint and water together and swipe the brush lightly on the A3 piece of paper. Then we got our photos taken and we had to do poses of us thinking and write a fact file about how we want the world to be a better place. Year 3 stayed in Class 2 with Mrs Hayton and met their new teacher for September Mr Armstrong. First we had to answer questions and about ourselves including what we are good at and what we like. We had to explain what we would like to do next year. This was on a jigsaw piece so we can put them all together on a display showing how we are all individuals but together we make Class 2. Next we looked at numbers around the world. We had to explain the numbers that are important to us eg: 4 I have 4 siblings. By Lily and Millie
