

Activities organised by the school as part of the children's education, enrich and extend the range of opportunities in the curriculum. Whenever relevant, and within reasonable financial limitations, teachers will organise trips that will aid children's understanding. These trips will be appropriate to the Long Term Plans of the school.

However:-

- Parents may be asked to make a voluntary contribution towards the costs that are incurred, this may include transport, admission fees and tuition, if appropriate.
- Other activities may take place within the school, e.g. theatre groups, puppet shows etc. and parents may also be asked to make a small voluntary contribution towards these activities, if there are no funds available through other sources.
- The school will endeavour to give parents adequate notice of these activities or outings with clear guidelines as to costings.
- Activities may have to be cancelled because of a shortfall in contributions, and though this would of course be regrettable, financial constraints may deem it necessary.

We meet our obligations under 'The Requirements for School Food Regulations 2014' regarding the availability of milk at school by regularly providing parents with information about the Subsidised School Scheme we offer through CoolMilk.

Music Tuition

Recorder is taught within school by Mr Vernon and is part of every child's music curriculum. There is **no charge** made for these lessons.

We are extremely lucky at Rosley School to receive financial support from our Governing Body in issues which give maximum benefit to the majority of pupils

1. Hire of village hall
2. Upgrading general equipment throughout the school
3. Improvements to the fabric of the building.
4. Issues that affect health and safety.
5. Support for larger building projects.

Alongside this, the Governors will support **genuine** cases of hardship. It is their intention that no child should be excluded because of financial need and requests can be made to the Governing Body through the Head teacher.

This policy will be reviewed annually by the Governing Body
