

Rosley C of E School

MATHS LONG TERM PLAN CLASS 1 (KS1) 2022 - 2023

At Rosley CE Primary School, we use White Rose Maths resources to assist teacher planning. Below is an overview of the learning focus for each half term in each class. Pupils receive 5 hours per week of timetabled Maths lessons. Maths is taught in sequenced weekly lessons. Class teachers may choose to adapt the learning focus to suit their class but must ensure full coverage throughout the cycle.

	Autumn	Spring	Summer
1	Intro week	Y1 Number: Place Value	Number: Fractions
2	Number: Place Value	Y2 Measurement: Money	
3		Y1 Number: Addition and Subtraction Y2 Number: Multiplication and Division	Y1 Number: Multiplication and Division Y1/2 Geometry: Position and Direction Y2 SATS
4			
5			
6			
7
