

English

In Reading and Writing Composition we are:

- Reading and studying non-chronological reports, *Percy Jackson and the Lightning Thief* by Rick Riordan and *George's Secret Key to the Universe* by Lucy and Stephen Hawking
- Retrieving information from non-fiction texts and distinguishing between statements of fact and opinion
- Reading and investigating the features of non-chronological reports and writing our own for our 'monsterology' encyclopaedia

In Grammar, Punctuation and Spelling we are:

- Learning the features of formal language
- Learning how to use commas, brackets and dashes for parenthesis
- Revising the use of commas in our writing
- Learning to spell:
 - words with suffixes
 - Words ending in -ible and -able
 - Words with silent letters
 - Homophones

Class 3

What are we learning this half term?

Our Christian Value is:

Peace

Science

Earth & Space

In this topic we are learning:

- What causes day and night
- What makes a year and what causes the seasons
- Why the moon appears to change
- All about the Solar System
- How knowledge and beliefs about Earth and space have changed over time

Maths

In Maths we are learning to:

Fractions

- Reading, writing and identifying equivalent fractions
- Comparing, ordering and simplifying fractions
- Converting between mixed numbers and improper fractions
- Adding and subtracting fractions
- Multiplying proper fractions and mixed numbers by whole numbers
- Dividing proper fractions by whole numbers (Y6)

Measurement

- Convert between metric units
- Solve problems involving units of time
- Understand equivalences between metric and imperial units of measure

PE

We are developing our knowledge, skills and ability in:

- **Swimming**
- **Dance**

Geography

This term our new topic is '**Trade and Economic Activity**'. We will be learning about the global economy and how the UK trades with countries around the world.

RE

This term our topic is '**Was Jesus the Messiah?**' We will learn about how Christians believe Jesus is our saviour and how this impacts their faith.

French

Our topic this term is '**Les vêtements**'. We will learn to describe our clothes using adjectives of colour and size and give opinions.

Music

In music this term, we will explore the use of music throughout film. We will look at different emotions and how to best portray these musically. We will use a graphic score to interpret and perform sounds accurately and in sequence.

Computing

In computing this term, we will explore the concept of variables through games using Scratch. We will experiment with variables before designing and creating our own projects.
